Rental

To help you as a renter, the counselor begins by reviewing your budget, credit, and current housing situation. If you are behind on your rent, your counselor will help you develop a budget to get back on track. If you are looking to rent, your counselor will assess affordability to you and provide tips on what to look for in a rental. If you are facing eviction or have a dispute with your landlord, you may be directed to seek legal advice. Clarifi does not provide legal advice.

Preparing for Homeownership

To prepare you for homeownership, the counselor begins with a review of your goals and objectives. You go through a budget and credit analysis to determine whether you have the resources and ability to borrow for a home, and the counselor helps you understand the advantages and disadvantages of homeownership. The counselor reviews the costs for down payment and closing, debt-to-income ratios, avoiding predatory lending, and may cover other issues such as home inspection. The counselor provides information about different types of mortgages, including mortgage assistance programs if applicable. The counseling is exclusively for educational purposes, and the agency does not provide funds to assist with closing or settlement fees or offer loan products.

Restore Repair Renew- Home Repair Loan Program

A home repair program for Philadelphia homeowners. The Restore, Repair, Renew program is an initiative of the City of Philadelphia and Philadelphia Redevelopment Authority (PRA) to help Philadelphia homeowners access a low-interest home equity loan to invest in their properties. Once a homeowner is deemed eligible for the program Clarifi staff will support the homeowner through the stages of the RRR program. A homeowner will be required to have a home assessment completed to assess the property to be repaired, attend the Construction 101 workshop to learn how to manage the contractors they will hire and attend a Home Equity Counseling appointment with a Clarifi counselor.

Foreclosure Prevention

If you are behind on your mortgage, the counselor explains collection efforts and the housing foreclosure process and reviews loss mitigation options to help you become current, avoid foreclosure, or relinquish the home gracefully. The counselor helps you work with the mortgage servicer to obtain a loan modification, forbearance, repayment plan or other workout solution, including short sale or deed in lieu of foreclosure. Under certain specific circumstances, the counselor will assist you in applying for available federal and/or state assistance loan programs to help you cure the default.

Credit Counseling, Not Credit Repair

Clarifi is a tax-exempt, charitable organization offering credit counseling services, but is not a credit repair organization. Clarifi's services are not performed for the purpose of advising clients on or improving their credit record, credit score, credit history, or credit rating. Clarifi does not consider itself a Credit Repair Organization as that term is defined in (i) the Credit Repair Organization Act of 1996 as amended or (ii) elsewhere.
